Victor Fine Ground Limestone

The Best Way to Lime

The United States Government and the Pennsylvania Agricultural Experimental Stations are now recommending finely Ground Limestone as the best way of applying Lime to the soil. It does not destroy manure, there is no danger of burning your crops, it keeps for years, and can be applied at any time, or season.

Easiest and Cheapest to Use

Comes packed in canvas bags or paper bags. Can be easily handled, and kept in storage indefinitely, without change or loss. No more laborious slaking, no more laborious slaking, no more choking dust, nor scalding burns. Can be drilled into the soil or sowed on the surface and harrowed in Saves half the cost of the old way of applying Lime. Is cheaper and better.

GIVES MAXIMUM RESULTS

It has been proved that very finely Ground Limestone produces as a fertilizer the same results pound for pound as air slaked Lime, or any other commercial fertilizer, and because VICTOR fine Ground Limestone is the purest, most finely ground Limestone on the market and because it destroys no manure or crop, it gives much better results than any other burned or hydrated Lime made.

Christmas Holiday Goods

FOUR weeks more and it is Christmas! Fogel & Burstan have ordered a whole car-load of Holiday Goods of every description—over 50 cases of Toys and Holiday Novelties have already come and more are daily arriving. Judging from the big increase in our business, our store will be thronged with buyers as never before.

We recommend therefore, our patrons to begin early to make their purchases. By doing so, not only will they be able, more leisurely and with greater ease and satisfaction to themselves, to find just what they want, without the hurry and rush of Christmas week, but what is more important still, they will a have fuller stock from which to choose—the very first pick of everything. Then besides, our employees can in these early days, give such early buyers more attention than they possibly can later.

So every way it will pay you TO BUY EARLY.

EXTRAORDINARY ANNOUNCEMENT

AFTER carefully weighing the matter, we have concluded to make at this Holiday Season a "NEW DEPARTURE"—one that will be good news to every boy and girl and of course to every father and mother for miles around viz: To sell our entire stock of Holiday Goods, Toys, Novelties, etc., absolutely without any profit to ourselves, for the mere cost of the goods themselves, the freight and the bare charges of handling them! Holiday Goods AT COST!

Do you ask why we do this? Here is our reason. Selling Toys and Christmas Goods is not really a part of our business; but in order to oblige our patrons who deal with us the whole year around and to save them the expense and worry of a trip to the city, we have decided to offer them right here at home just as fine a chance to buy first-class Christmas Toys, Novelties, etc., and for less money than they can get them in the city.

Now don't misunderstand us. We don't pretend we are doing business for fun only and that this "NEW DEPARTURE" will not profit us also. It will profit us big! Will be the biggest kind of an advertisement for our own proper business for the next 12 months, because we will by this liberal "NEW DEPARTURE" not only keep our old and valued customers with us during this Christmas Season, but we will thereby attract new customers. Of course, too, all these buyers who come in the first place for toys and gimcracks for their little ones, will also find we have many things they need in every line of our large Department Store and will patronize us accordingly.

We repeat it, Fogel & Burstan mean to turn their Christmas season business, into a Big Advertisement for their Department Store and instead of the profits on the Toys and Holiday Goods—take it out in the Big Advertisement this "NEW DEPARTURE" will surely bring—leaving it to the future, in the due course of their business, to yield them their profits.

We are just opening up our big stocks of Christmas Goods—cases, boxes and bales, barrels, etc., and are too busy to specify prices now; next week in The Transcript we will at length set out our "NEW DEPARTURE" prices that will simply Astonish You. Watch our Transcript ads. Then compare prices elsewhere with our "NEW DEPARTURE" ones.
